

Massachusetts State Grange Bowling Tournament Pledge Sheet

As in the past years, the State Grange Bowling Tournament (which will be held on Sunday, April 30, 2023, at 10:00 am, Mohegan Bowl, Webster) will provide funds to the State Grange Foster Care Program from monies received from donations and pledge sheets. This year, we encourage Junior, Subordinate and Pomona Granges to purchase items through financial contributions generated by donations or financial pledges for the State Grange Bowling Tournament. We then encourage each Junior, Subordinate and/ or Pomona Grange to purchase items for the State Grange Foster Care Program and bring these items to the State Grange Session in October. Funds generated by each bowler can be used by their respective Grange to purchase items needed by the Foster Care Program. Even if your Grange is not sending a team, please consider sending a donation. Thank you. Contact Mary Jordan (mjordan713@verizon.net) or Theresa Kane (tikane48@gmail.com), Youth Directors, for more information.
